

KROGER—SOPC REWARD PROGRAM
A Great Way to Earn Money
for the
Southern Ohio Pregnancy Center!

The Kroger Reward Program was developed to meet customers' desire to support local non-profit organizations in a way that won't stretch their budget . . . or their time. **The Kroger Reward Program is a great way to raise funds for the Southern Ohio Pregnancy Center simply by RELOADING YOUR KROGER GIFT CARD EVERY TIME YOU SHOP AT KROGER!**

Here's How It Works:

1. Purchase your Kroger Reward Program Gift Card from the Southern Ohio Pregnancy Center. (Cards are now available. Call the Center for more information: 937.393.2990.) **Keep the card to reload.**
2. **When you shop at Kroger, BEFORE PAYING FOR YOUR PURCHASES, reload your Kroger Reward Gift Card for any amount up to \$250.**
3. The more you shop, the more you earn for the SOPC. The Pregnancy Center will receive a rebate check for 4% of all earnings over \$5,000 each 4-week cycle. If the SOPC does not reach \$5,000 after the first four weeks, it rolls over to the next 4-week cycle.

The Benefits:

1. A great way to raise money with minimum selling and solicitation required.
2. Kroger Reward Program customers can pay for their gift card reload any way they choose—cash, credit card or check.
3. The gift card is accepted in all Kroger affiliated stores throughout the U.S. and can be sent to family and friends out of state and still benefit the Southern Ohio Pregnancy Center **AS LONG AS THE CARD IS RELOADED!**
4. You can RELOAD you card at any Kroger store, for any amount up to \$250.
5. You only have to purchase one card from the Southern Ohio Pregnancy Center, and keep RELOADING it every time you shop at Kroger.
